

Jeb Brady, Combination Inspector

Jeb Brady is the Combination Inspector for the Town of Cape Charles. In that capacity, he is responsible for conducting inspections of new construction, renovations of existing buildings, and Erosion and Sedimentation Control Measures. He performs commercial fire inspections as part of the Fire Marshall Program which was started in 2008. He is responsible for coordination of inspections with property owners, architects, engineers, site foremen and responsible persons on site as the field representative of the Code Enforcement Office.

Jeb holds a Bachelor of Science degree in Business Administration from Longwood University. He also holds national and state certifications in Residential Building Inspector, Plumbing Inspector, Property Maintenance Inspector, Zoning Inspector, Fire Inspector I and Fire Inspector II and has recently earned his certification from the Department of Homeland Security-FEMA in Incident Command Systems 100, ICS 200, ICS 700 and ICS 800.
