

Cape Charles Gazette Special Edition

Publication Date: April 20, 2011

We hope that you will enjoy reading the Cape Charles Gazette which is the electronic newsletter published from time to time by the Town Manager on behalf of the municipal government of the Town of Cape Charles. The Gazette provides a variety of information that we believe will be useful to the citizens and businesses of Cape Charles as well as those who plan to travel to Cape Charles or have any interest in our Town or the Town's government. The Gazette provides information on actions being undertaken or being considered by the Town government, upcoming activities in the Town, important public safety and security issues and emergency announcements.

We welcome your responses which may be sent to gazette@capecharles.org, by regular mail to 2 Plum Street, Cape Charles, VA 23310 or by calling (757) 331-3259.

We also encourage you to visit the Town's website at www.capecharles.org where you will find up-to-date information about the operation of the Town government.

Cape Charles Water Tank Maintenance

As part of the maintenance process for the Cape Charles Water Tank, the Public Utilities Department will be draining the water tank to allow for maintenance to be performed to the interior of the tank. The interior of the tank will also be painted during this period.

The water tank will be drained on Sunday, April 24th, and taken off-line for the maintenance activities. Water will be stored in reserve tanks located at the water plant. The work is expected to last through the end of May.

During this period, residents may experience some fluctuations in water pressure.

The water system has been tested and monitored very closely to ensure that the Town's water supply would not be compromised during this period. Even though the Town is confident that there will be an ample water supply, we are asking residents to please conserve your water consumption during this timeframe. [Click here](#) for tips on conserving water.

Thank you for your cooperation during this timeframe and we will keep you apprised of the progress on the maintenance work.
