

## TOWN COUNCIL

### Work Session

Town Hall  
May 7, 2009

At approximately 6:45 p.m. at the Town Hall, Vice Mayor Chris Bannon called to order the Work Session of Town Council. In addition to Vice Mayor Bannon, present were Councilmen Bennett, Burdiss, Elliott, Evans and Veber. Mayor Sullivan was not in attendance. Also present were Interim Town Manager Heather Arcos, Town Consultant Bob Panek, Director of Public Works / Public Utilities Dave Fauber and Town Clerk Libby Hume. There was one (1) member of the public in attendance.

The Council reviewed expenses for the Public Utilities, Waterworks, Wastewater and Meter & Utility Billing departments. The Summary of Water and Wastewater Revenues was reviewed regarding connection fees, water fees which included a 9.89% increase, and sewer fees at the increased rate approved by the Council at their March 12, 2009 meeting. The Council discussed some financing alternatives for the well connections and the Inflow and Infiltration Project.

Interim Town Manager Heather Arcos distributed a Commercial Water and Wastewater Rate analysis prepared by Town Consultant Bob Panek showing the top six (6) commercial water and wastewater users. Bob Panek explained the potential rate structure modification reducing the commercial rates closer to the average across the state.

**Motion made by Councilman Bennett, seconded by Councilman Burdiss and unanimously approved to adjourn the Town Council Work Session.**
