

TOWN OF CAPE CHARLES COMPREHENSIVE PLAN UPDATE

SECOND TOWN MEETING:

“PLANNING FOR THE FUTURE OF CAPE CHARLES”

The second Town Meeting for the Comprehensive Plan Update will be held on:

Thursday November 9, 2006

7:00 PM-9:30 PM at the Palace Theater on Mason Avenue

The Town of Cape Charles is in the process of updating its **Comprehensive Plan**. The Comprehensive Plan is the basic blueprint for the town for the next 20-25 years. It is currently being updated and **your input is needed!**

At the first meeting in September, Cape Charles citizens shared their ideas, suggestions and concerns for the future of the Town. This second meeting will be an opportunity to review and evaluate how these ideas were developed into **alternative visions for the future of the Town**.

The Town meeting will be an important and informative work session. There will be a brief presentation on potential concepts for the future development of the Town, followed by a facilitated discussion of ideas, suggestions and feedback on the alternatives. Attendees will exchange ideas and have an opportunity to share opinions on:

- *Growth and Change in the Town*
- *Preservation and Revitalization of the Town's Neighborhoods*
- *The Future Character and Quality of New Development*

The input from this workshop will be needed to help develop basic policies and plans regarding the Town's future.

Please attend and share your ideas!
